Be Part of Something Special:

Henry Ford Detroit Hospital is not just a place to work; it’s a place to grow and thrive. Located in the vibrant heart of Detroit, our 877-bed academic hospital is recognized for clinical excellence in cardiology, neurology, orthopedics, transplant, and cancer care. Proudly designated as a Magnet facility, we’re dedicated to nursing excellence and patient-centered care.

Discover Detroit:

Detroit is more than just a city; it’s a vibrant community full of history, culture, and charm. For the first time in 66 years, more people are moving into Detroit than moving out! Whether you love history, food, or the arts, Detroit has something for everyone.

Who We're Looking For:

Passionate, compassionate, and dedicated individuals who are excited about providing top-notch patient care. If you have an unwavering commitment to excellence, innovation, and respect, we want you on our team!

1. EDUCATION/EXPERIENCE REQUIRED:

- Have graduated from an accredited BSN program.
- NCLEX Qualified for USA.
- Possess a maximum of one - three (1- 3) years of acute care/inpatient nursing experience with NCLEX
- Inpatient Case Management and/or discharge planning and care coordination experience strongly preferred.
- Can communicate effectively with patients, families, and hospital personnel, have strong critical thinking and creative problem-solving skills, and excel at planning.
- Are self-motivated and enjoy working in a fast-paced environment.

2. Roles and Responsibilities:

- **Dive into Patient Care:** Assess patients' needs from admission to discharge, creating and coordinating personalized care plans.
- **Team Collaboration:** Work with an amazing healthcare team to ensure every aspect of care is covered.
- **Be a Champion for Patients:** Advocate for patients, ensuring they have the best care and resources.
- **Empower Through Education:** Provide vital information and resources to patients and their families.
- **Optimize Care:** Monitor healthcare resources to enhance outcomes and reduce costs.
- **Facilitate Smooth Transitions:** Ensure timely and safe discharge plans, helping patients transition to the next level of care seamlessly.

3. Perks of the Role:

- **Salary:** Salary as per the industry standards in US
- **Remote Flexibility:** After 6 months, enjoy the option to work weekends and holidays remotely with provided equipment.
- **Innovative Team Structure:** Benefit from our new dyad Social Work/RN Case Manager model and remote utilization review setup, allowing you to excel in your profession.
- **Continuous Learning:** Access free tools and education from national experts to support your growth.
