## Warehouse Associate

**Location:** Anywhere in Saudi Arabia

**Contract type:**

This role would require physical energy as you'll be on the move for your whole shift to pick, pack and dispatch packages to allow Amazon to deliver orders efficiently. Get prepared to work with a diverse group of people in a fast-paced environment and learn new skills.

### **In this role, you will run some exciting activities:**

- Use smartphone, apps and scanners to sort, scan, and prepare products for delivery
- Exchange safety tips daily with co-workers
- Build, wrap, sort and transport packages
- Load and unload truck deliveries

### **You will also need to be able to:**

- Lift packages weighing up to 22 kg
- Stand, walk, push, pull, squat, bend, and reach during 9 /10 hours shifts
- Operate carts, dollies, hand trucks, and other gear to move stuff large quantities of merchandise
- Go up and down stairs
- Attend in weekly offs / Public holidays with no conflicts with country labor law

### **Essential requirements to apply:**

- You are 23 years old or above
- You understand basic English
- You have basic computer skills (able to use keyboard, mouse, close and open Windows, etc.)

### **Working conditions inside the warehouse:**

[Click Here](#) to watch a virtual tour in our warehouses to see how our operations work.

- Your safety is important to us. You'll wear a safety vest and do daily stretching
- You will work around and use moving machines, such as pickers, forklifts, and mobile carts
- Your shifts will include activities that may require standing in one place for long periods and walking long distances. You will need to wear comfortable, closed-toed shoes
- It can get hot. Even with climate controls, temperatures in some parts of our warehouses may vary between 20 and 30 degrees, and will occasionally exceed 38 degrees in the yard
- It can get noisy. We will give you hearing protection, if you need it
- The dress code is relaxed with safety dress code mandatory requirements.
