

Company Name: SKH Group

About Company: SKH represents the Metal Division of Krishna Group, a USD 1.17 Billion (Revenue) automotive conglomerate headquartered in Gurugram, Haryana and having manufacturing facilities across India, serving all the major automotive OEMs across the World successfully for past 25 years.

SKH began its journey in 2006, when Krishna Group acquired an existing sheet metal auto-component manufacturer and renamed it as SKH Metals Ltd. Since 2006, SKH has been on a continuous growth trajectory, entering into newer products and offerings for various Automotive OEMs across India and the World.

Since 2006, SKH has grown exponentially in revenue and crossed a revenue of USD 636 Million (a part of USD 1.17 Billion Krishna Group) in FY 2022-23.

Currently SKH has 15 facilities (out of total 42 facilities of Krishna Group) spread across all major automotive clusters in India.
